Green, Green

C F C G
Green, green, it's green they say, On the far side of the hill.
C F C G C
Green, green, I'm going away, To where the grass is greener still.

C G F C G C
Well I told my momma on the day I was born, Don't cha cry when you see I'm gone.
G F C G C
You know there ain't nobody gonna settle me down, I just gotta be travellin' on

(to Chorus)

C G F C G C
Well I loved that gal with all of my heart, And I will until the day I die.
G F C G C
But I was just a stop along her way, I never even said good-bye.

(to Chorus)

C G F C G C
Well, I don't care where the sun goes down, Or where I lay my weary head.
G F C G C
Green, green valley or a rocky road, That's where I'm gonna lay my head.

(to Chorus)
