For a detailed look at how Quartzfest* is laid out. Goto [Quartzfest map at google.com/maps](http://google.com/maps) Make sure you zoom in and move the map around to see all the detail. (Thanks Byon!!)

Here's the sign you've waited an entire year to see...

What do you do when you find the sign?

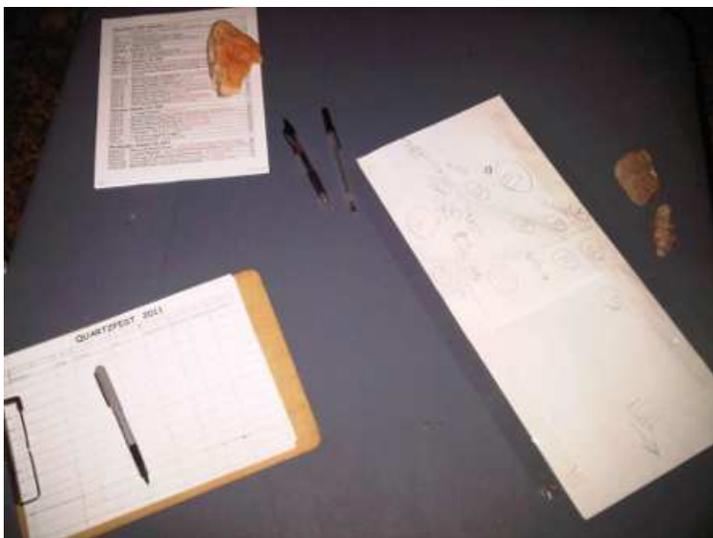

Ya take a couple steps to your left and walk through the door in Steve and Angel's California (screen) Room..

Directly in front of you will be the sign in table for Quartzfest* 2013.

Walk on in and sign in.

**If the door to the fiver is open..
which it usually is, make sure you say hi to Steve and Angel.**

Make sure you grab a copy of our “Condensed Schedule” while you’re here.

Now you know what to do when you get here...

but how on earth do you find us?

From Quartzsite AZ, go south on US Highway 95 to La Paz Valley Rd (53rd St North) which is between mile marker 98 and 99. The road will widen in to a right turn lane..

From Yuma, go north on US Highway 95 to La Paz Valley Rd (53rd St North) between mile marker 98 and 99. The road will widen in to a left turn lane..

Turn **west on La Paz Valley Rd (Street Sign says “53rd St North”)**

**This will make more sense when you get there.
The sign on Hwy 95 says La Paz Valley
but the street sign where you turn says
“53rd St North”. Same road but conflicting signs.**

Once on 53rd St North, drive **NO MORE THAN 100'** feet and turn right at the brown wooden "Road Runner" sign in to the "Road Runner" BLM short term (14 day) camping area.

Drive north a couple hundred feet and you'll see a sign that says Stop Here! This year, you must sign in with Camp Host. This is a BLM (Bureau of Land Management) requirement!

After signing in, continue on about another ¼ mile to the Quartzfest* area and register with us.

Landmarks to look for on your way..

a couple hundred yards north of the "Host" you'll see the road divide and then the road will come back together 100 feet or so later.

Continue north another hundred feet to the lone Saguaro Cactus with NO ARMS. At the Saguaro (Cactus Narrows), the road will bend to the right...then to the left.

Don't take the bend to the left...rather, veer to the right..off the visible road tracks and on to the "Hard Pack" and drive straight ahead to Steve and Angel's Alpenlite Fifth Wheel which will be 100 feet or so in front of you (on the far side of the motorhomes on the left in the picture).

You'll know you're here when you see the nose of our "fiver". Find a place to park and Come on In!

We're asking for basic information on the sign in sheet. Name, Call Sign, optional email address and phone number and PLEASE let us know if you're a medical professional willing to assist in the event of an emergency.

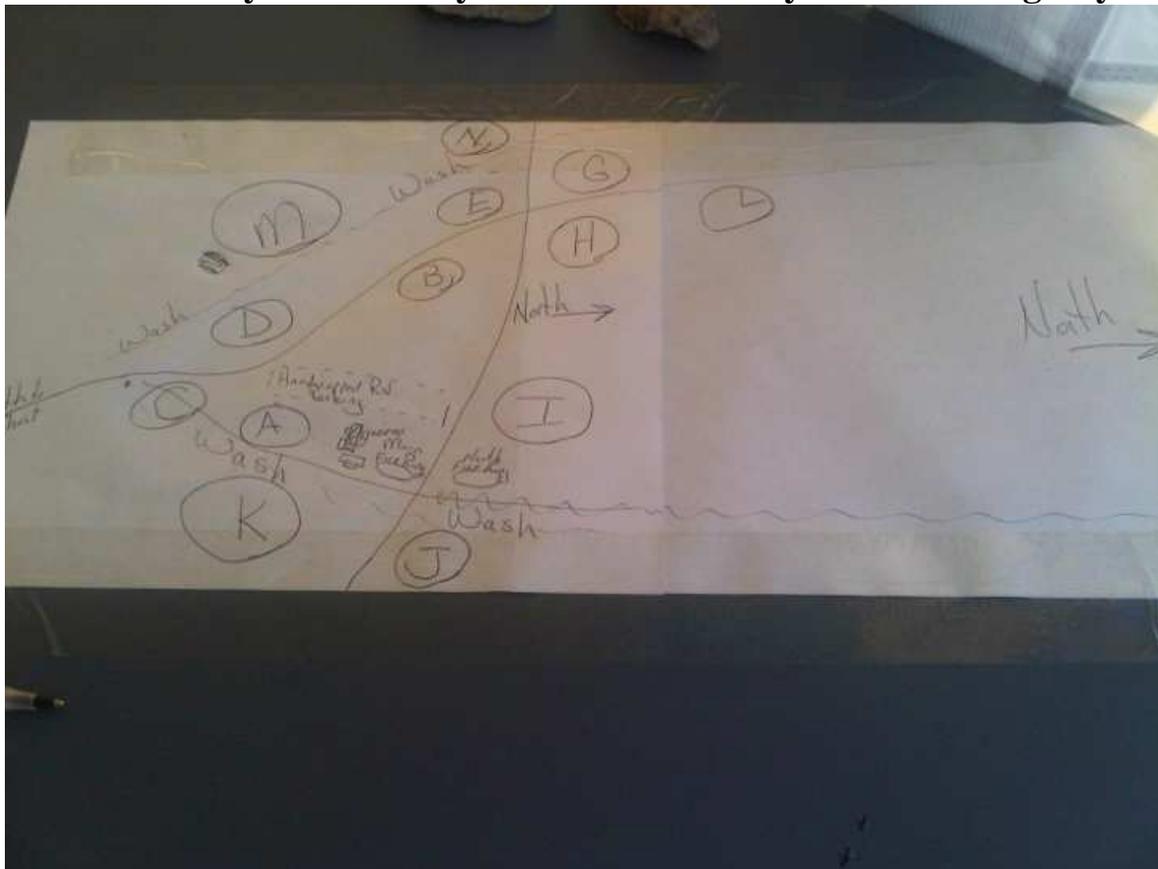

Very Important!!

When you sign in, make sure you pick up your **FREE** ticket for our Grand Prize Raffle Drawing. You don't need to be present to win but you will need to arrange for shipping of the radio to you. Drawing will be at our Closing Ceremony.

You must sign in to qualify for Grand Prize drawing.

Please look at our “hand drawn” map (I'm not an artist..and it's definitely not to scale) and let us know approximately where you are camped...by “lettered” section. This will help your friends find you when they arrive...or us find you in an emergency.
