

Welcome to the Week 41 edition of the QuartzFest e-Newsletter. The latest news follows below with links to more information on the QuartzFest website.

- **SEE THE LATEST ANTENNA TUNERS** in operation while learning about why antenna tuners are important and how they can protect your rig while helping you improve power transmission to your antenna. Learn how to select and use the best system for your application while viewing and discussing the latest technologies. Learn more at <http://quartzfest.org/Q16-antenna-tuners.html>.

- **THE “LADIES CIRCLE” IS BACK AGAIN** so ladies bring your lawn chair and cup of coffee and join us for our morning Ladies Circle. This hour every morning is set aside for us to get to know each other while the guys are off doing their thing. Long lasting friendships normally occur. See it on the schedule at <http://quartzfest.org/program.html>.

- **DON'T MISS THE INSTRUCTOR'S ACADEMY** at QuartzFest 2016. Gordon West will be offering this class for new instructors as well as Elmers who are interested in learning about many unique methods, demos and materials that you can use for success in you first or next ham radio class. Read more at <http://quartzfest.org/Q16-gordon-west-instructors-academy.html>.

- **THE 33<sup>rd</sup> ANNUAL SPORTS, VACATION & RV SHOW** is held nearby at the same time as QuartzFest. Held at the location of the largest gathering of RVs and RVers on Earth, admission is free. The 20 acre facility is filled with exhibitors and demos of new and emerging RV products and services that you won't want to miss the chance to see. For those interested we will be caravanning to the location one morning during QuartzFest 2016. See it and more on the schedule at <http://quartzfest.org/program.html>.

- **220 MHz TRACKERS for PETS**, operating within your ham band, are coming to QuartzFest 2016! Losing a pet can be devastating, but now it can be prevented. With the LoCATor Pet Tracking System you can find your cat or dog quickly and easily anytime of the day or night. As a matter of fact you can use it to track almost anything! Learn more at <http://quartzfest.org/Q16-220-mhz-pet-trackers.html>.
