

Welcome to the Week 44 edition of the QuartzFest e-Newsletter. The latest news follows below with links to more information on the QuartzFest website.

- **ANTENNA WALKABOUT.** Quartzfest is a mobile antenna lover's dream and now Bob, KA6LSL, is back to lead it again! In this walking tour you will view dozens of some of the most interesting and unique mobile antenna installations in the country... all in one place and only at QuartzFest 2016. See it and more on the program at <http://quartzfest.org/program.html>.

- **220 MHZ TRACKERS for PETS**, operating within your ham band, are coming to QuartzFest 2016! Losing a pet can be devastating, but now it can be prevented. With the LoCATor Pet Tracking System you can find your cat or dog quickly and easily anytime of the day or night. Learn more at <http://quartzfest.org/Q16-220-mhz-pet-trackers.html>.

- **BATTERY BOOSTERS** are the perfect solution to keep your transceiver operating at full efficiency and performance by eliminating low or marginal voltages in your system. Neil, W6FOG, will be providing hands-on demonstrations of the latest battery booster technology and show how they can improve your mobile station efficiency and eliminate low voltage problems. More at <http://quartzfest.org/Q16-battery-boosters.html>.

- **TAI CHI.** Newton's First Law of Motion indicates that a body at rest, will remain at rest and a body in motion will remain in motion. The Mayo Clinic says "Tai Chi helps: Decrease stress, anxiety and depression, improved mood, improved aerobic capacity, increased energy and stamina, improved flexibility, balance and agility, improved muscle strength and definition." Read more at <http://quartzfest.org/q16-tai-chi.html>.

- **DIGITAL MOBILE RADIO** is coming to QuartzFest 2016. Carter, KH6FV, will be discussing Mototrbo and demonstrating how to get on the air and into a public accessible DMR network. Participants will even enjoy Q&A and live use of an operational Mototrbo repeater that will be onsite for network demonstration. Read more at <http://quartzfest.org/q16-digital-mobile-radio-mototrbo.html>.
